

Nursing Program Disclosures

June 30th, 2022

Hello Learners,

Under the Higher Education Act of 1965, the Federal Department of Education (ED) requires all Institutions to annually disclose data about completion rate and transfer-out rate of Nightingale College's certificate or degree-seeking, first-time full time undergraduate learners. This data is reported to the Department of Education via the Integrated Postsecondary Education Data system (IPEDS) website. In addition to this disclosure information, the data is published on the College Navigator. <https://nces.ed.gov/collegenavigator/>. This same data is also available on the College website by scrolling to the bottom of the page using this link <https://nightingale.edu/financial-aid/>.

For additional information about graduation rates, loan repayment rates and post-enrollment earnings about this institution and other postsecondary institutions please click here: <https://nces.ed.gov/collegenavigator/>.

For additional licensure information see <https://nightingale.edu/professional-licensure-and-certification-disclosures/>.

Below is the latest data for Nightingale College Associate of Science in Nursing (ASN) Program, Practical Nursing (PN) Diploma Program, Bachelor of Science in Nursing (BSN) Program, Registered Nurse (RN)-Bachelor of Science in Nursing (BSN) Program, and Master of Science in Nursing Education (MSNED) Program. The information reflects the 2015-2016 award year per ED requirements.

To request a paper copy of this material email learnerservices@nightingale.edu.

Program Name – ASN *

The estimated total program cost for a learner who did not transfer in any college-level credits and if completed within the normal time was \$60,275 if Program began in or after the Spring 2020 academic semester. There may be additional living costs. These costs were correct at the time of annual disclosure posting.

*** Note:** Per College Catalog published January 4, 2020, beginning January 6, 2020, the ADN Program is only enrolling advanced placement LPN/LVN candidates.

Graduation Rate – 48.8% (As defined by federal regulations 34 CFR 668.45 and 34 CFR 668.41)

- Gender –
 - Female – 48.7%
 - Male – 50%
- Major racial and ethnic subgroup –
 - White – 61.8%
 - Hispanic – 0%
- Recipients of a Federal Pell Grant – 51.4%

- Recipients of a Federal Family Education Loan or a Federal Direct Loan (other than an Unsubsidized Stafford Loan made under the Federal Family Education Loan Program or a Federal Direct Unsubsidized Stafford Loan) made under the Federal Family Education Loan Program or a Federal Direct Unsubsidized Loan –
 - Direct Subsidized Loan recipients who did not receive Pell Grant – 66.7%

Of the learners who completed this program within normal time, the typical graduate leaves with the median debt of \$20,776.

The table below shows three options of program licensure for the **ASN Program**, the College has determined: the program meets the education requirements for licensure; the program does not meet the education requirements for licensure; or a determination has not been made as to whether the program meets the education requirements that lead to licensure or not. For these purposes, “states” include the District of Columbia and the US protectorates, as defined in 34 CFR §600.2.

Nightingale College endeavors to make a reasonable effort to determine learner eligibility for licensure. However, due to the ever-changing nature of statues, rules, and regulations of the varying states/territories, the below list cannot be considered a guarantee for licensure. Learners are strongly encouraged to contact their local state board of nursing for the most up to date eligibility requirements.
